“ *I've just heard of Trish's passing and am so sorry for the family's loss. Although I only knew her in school as Rocky's big sister, Trish was a great help to me when we worked together briefly at AV Hospital when I was fresh out of MAC nursing school. She was a competent and compassionate RN and a wonderful teacher. I am also grateful to know that she was a woman of faith as I read in these memories! My prayers are with the family for peace and comfort. Melissa (Bennett) Swanson, now living in Ola, AR.*

“ Trish and I worked together and went to school together. She and Jake went on vacation with my family and I and had a great time. It is a vacation we will never forget. Trish was someone you could talk to about anything, when I would get down and out all I had to do is call Trish and talk. I am going to miss her so much. My heart felt thought and prayers go out to her family and children.

“ *Trish had a smile and personality that could make anyone smile. I am so glad I hold alot of amazing memories had with her. I don't understand God's reasoning sometimes but I do know that he has received a beautiful angel but he better watch out for her spunk. Gone but NEVER forgotten.*

“ I had the privilege of being her pastor for a number of years. She was an absolute delight. Her faith, her life, her daily walk was a blessing to all who knew her. A loving mother, an intelligent and talented nurse, who always had that genuine smile for all who met her. Prayers and condolences to her family.
