“Wow there are so many memories I don't know where to start. Let me first say that I loved you like a second father. Your smile and kind heart was what drew people to you. I will never forget when you took me and Robin to Florida with your family. Days at the farm, the encouragement you always gave us girls was such an inspiration in our lives. You helped to teach me to swim and so many other things. You were such a blessing in my life. I am going to miss you so much and still can't wrap my mind around the fact that you are gone. But, I am so proud of you that you gave your life to the Lord as I know you are with Jesus now and walking those streets of gold and with so many loved ones that went on before you. You were such an inspiration in your church. I sang with you on the platform at one of those services "I Saw the Light" and enjoyed that so much. I saw the Light, I saw the light, no more darkness, no more night, now you're so happy, no sorrow in sight, Praise The Lord, you saw the Light." I love you and will miss you Uncle Vic. Until I see you on the other side. I'll meet you at those heavenly gates one day. What a day of rejoicing that will be. LOVE LOVE LOVE.

“ I have ALOT of wonderful memories of our sweet Uncle Vic!! He loved sweets and alot of times when we'd go visit or camp at their place, I would take him some and say I brought sweets for the sweet! I can remember when he'd stop at our house on his way home on a Friday night and us girls wanting to go home with him and most of the time one or two of us would!! Love him and Aunt Candy like 2nd parents and we will miss him terribly!! RIP dear Uncle.....until we meet again! 💙💛💜

“ *I have so many memories of uncle vic. 1 that comes to mind is when I was younger he was teaching me how to drive in the field. I hit the brakes and his mouth hit the window frame. I think he was upset but didn't show it. He was like another father to me. So many memories. RIP uncle Vic, until we see each other again. I love and miss you dearly.*
